

LIPetPlace.com and Long Island Pet Professionals is proud to present the 2nd Annual **Hearts for Paws™** Campaign!

This year we have teamed up with **RockCanRoll.org** to collect **Pet Food** that RockCanRoll will donate to local **Long Island and Queens Food Pantry's**. Because many people that need help at food banks are pet owners too – **Hearts for Paws™ Pet Food Collection** will help those owners keep and care for their loving pets.

So for this **Valentine's Day** show some **love** to our pet community and donate a can or two healthy of nutritious pet food or even a 40lb bag will go a long way! Whatever you can donate will be greatly appreciated!

Pet Food can be donated to the following locations through February 12 at 2pm.
