**Voted Long Island’s Best Veterinarian in 2010, 2011 & nominated for 2012 will
be at Fido Fitness Club on
Friday, December 2nd at 7pm!**

Fido Fitness Club (910 Railroad Avenue, Woodmere, NY 11598) has just announced their first ever ‘Ask the Vet’ event on Friday, December 2, 2011 starting at 7pm. Fido Fitness Club is honored to have Dr. Michel A. Selmer, The Caring Vet, of Advanced Animal Care Center in Huntington as the featured guest veterinarian for their ‘Ask the Vet’ event.

Dr. Selmer will be speaking about holistic and preventative veterinary medicine, as well as answer any questions from the audience. Pet owners that are seeking information about alternative options of veterinary care or just want to know more about veterinary treatment today, what may or may not work best for their pet are encouraged to attend this event. Often times, pet owners leave their vet’s office and are not sure if it’s the right course of treatment or feel that their questions went unanswered but may not have another way to get their questions answered. This ‘Ask the Vet’ event will help those pet owners that want to learn how to treat, take care of and help their pets live a longer, healthier life. Dr. Selmer will answer questions and give you information that most veterinarians will not want pet owners to know!

The cost is \$10 per person for this event, refreshments and hors d’oeuvres will be served. For more information on this event or how to register for it, call Ellen Adler at Fido Fitness Club at (516)569-3647 or by email at Ellen@FidoFitnessClub.com
